

Original: 12/19/2001  
Revised 7/30/2015

- Bees Ferry
- Blue Water
- Faison
- McAlisters
- Shadow Pointe
- Traffic Circle
- Verdier

**Note 1:**  
Please note that the base layers such as Hydro may no longer reflect current or proposed conditions. In some areas, Woolpert has digitized new ponds/ditches in order to depict the revised Link/Node schematic. This schematic may conflict with sub-watershed boundaries contained in information provided by the design community.
